<sup>1</sup> If a student starts at the 1011 or 1051 level, s/he must take 3 language courses; 1011/1051 then counts as an elective.  
<sup>2</sup> Students are encouraged to take higher Math courses, where appropriate. However, they must take statistics (whether at the 1181 higher level)  
<sup>3</sup> Students who complete two semesters of Departmental Honors do not have to take a seminar. Their two course Departmental Honors Sequence (POL 2953-POL 2963) counts for one POL upper division **and** one seminar.
