

Are you ready to join the *not for spectators* community at Saint Joseph's University?

To confirm a spot in the Class of 2016 you are required to submit a non-refundable enrollment deposit by May 1, 2012. Students who plan to live on campus must submit a \$500 deposit (\$125 of this deposit will serve as a security deposit held in the event damages are incurred and may be returned when a student no longer resides on campus). Commuting students must submit a \$250 deposit. All deposits are non-refundable.

Please note: it is considered an unethical practice to submit an enrollment deposit at more than one institution. Knowledge of a student's duplicate enrollment deposit can result in the rescinding of an offer of admission.

Please choose one of the two following options to submit your non-refundable enrollment deposit:

1. The most popular method for students to confirm their intention to enroll is to submit the required information and credit card payment through our secure payment gateway at: **www.sju.edu/deposit**. This method is exclusively for credit card payments. If you elect to use this method you should not submit this paper form as all required information will be processed electronically. Online enrollment and electronic deposit must be submitted by **midnight May 1, 2012**.

OR

2. If you prefer to pay by check, cash or money order, please complete and return the form below. Please make check payable to Saint Joseph's University and include the student ID# in the memo line. Paper enrollment and check/cash deposit must be postmarked **no later than May 1, 2012**.

** If you decide that you will enroll at a different university, we ask that you complete and return the form below so that we can withdraw your application for admission.*
