Note: Second Major: Qualified students (cumulative average not lower than 2.50) may request permission to pursue a second major for sound academic reasons.

Such a request requires the approval of the Chairperson of the secondary major department and the Associate or Assistant Dean of that college.

Certification of completion of requirements for the secondary major will be the responsibility of the **Chairperson** of the **secondary major department**.

When all secondary major course requirements are completed (or in the process of being completed), the chairperson's copy of this form should be sent to the Director of Academic Records with the request to have the secondary major recorded on the student's final transcript.

The degree granted will be the degree appropriate to the primary major.
