Program Requirement Information Sheet

Program Requirements:

Bachelor’s Degree with an overall GPA of 3.0 or higher
Completion of perquisite courses required by the PA Department of Education (PDE) in the student’s content area before student teaching

Field Experience Requirement:
The PDE requires all teacher candidates to complete Field Experience in certification programs. The Education Unit at Saint Joseph’s University has designated required Field Experience to each course in the required curriculum to meet the state standards.

It is the student’s responsibility to ensure placement within a secondary classroom (grades 7-12) and special education classrooms to complete the required Field Experience hours.

Students are encouraged to complete Field Experience hours in a variety of classrooms.

For example, if a student is taking 2 courses in 1 semester and each course requires Field Experience, the student MUST satisfy the required assignments in the class.

Field Experience hours must be completed in the same semester that the student is taking the corresponding course.

Student Teaching Application Requirements:
Students must apply to the Director of Field Experiences nine months prior to actual enrollment in Student Teaching. Students must demonstrate a 3.0 cumulative grade point average to participate in this program. All students will be expected to demonstrate completion of all prerequisite courses and pass all appropriate Praxis tests.

Middle school (4-8) and secondary (7-12) certification candidates must have a 3.0 GPA for all courses related to their content field. Effective June 1, 2015, all Secondary (7-12) certification candidates are required to complete the appropriate Praxis tests PRIOR TO APPLYING for student teaching.

Student Teaching Requirement:
The last course in this program is a 6 credit online course that accompanies the student teaching experience.

Student teaching must take place in grades 7-12 and must be done within the student’s content area.

ALL students must complete an application for student teaching and submit it by one of the deadlines listed below. **Late applications will NOT be accepted**

- May 15 – Application deadline for students who wish to student teach in the following Spring semester
- January 15 - Application deadline for students who wish to student teach in the following Fall semester
