Saint Joseph’s University’s Graduate Business Programs Sweep U.S. News 2012 Rankings!

In its 2012 edition of “America’s Best Graduate Schools,” released March 15, 2011, U.S. News & World Report ranked Saint Joseph’s University’s part-time MBA program No. 82.

According to U.S. News, HSB remains among the country’s top business schools; several specialty areas were nationally ranked:

- Finance: No. 24
- Marketing: No. 20

HSB Dean Joseph DiAngelo Jr., Ed.D., attributes the success in the rankings to the school’s faculty. “For faculty in the Haub School of Business, teaching and research go hand-in-hand. This dual commitment keeps them current and engaged in their disciplines and dynamic in the classroom.”

The 2011 “America’s Best Graduate Schools” includes more than 2,000 programs nationwide. In addition to featuring new rankings in five of the largest professional graduate school disciplines (business, law, education, engineering, and medicine), the new edition includes improved and modified rankings of part-time J.D. and MBA programs.

“With today’s turbulent market, there’s an even greater demand for professional development opportunities, and for this year’s Best Graduate Schools, we’ve integrated new and updated rankings to ensure we cover the full range of educational programs,” said Brian Kelly, editor of U.S. News & World Report.

 Beta Gamma Sigma Chapter at Saint Joseph’s University Awarded Silver Chapter Award

Saint Joseph’s University’s Erivan K. Haub School of Business’ (HSB) collegiate chapter of Beta Gamma Sigma (BGS) has been selected as the Silver Chapter Award winner for 2011. The student chapter competed against 486 collegiate chapters around the globe. Beta Gamma Sigma will present Saint Joseph’s with this prestigious award at its annual conference in New York City on April 28th.

BGS is the honor society for AACSB International – the Association to Advance Collegiate Schools of Business. The mission of the society is to encourage and honor academic achievement in the study of business and to foster personal and professional excellence among its members.

As recipients of the Silver Chapter Award, Saint Joseph’s is eligible to award a $1,000 BGS scholarship to a student member in the 2011-2012 academic year.

This is the seventh consecutive year the Haub School chapter has been recognized with either the Gold, Silver or Bronze award. The SJU student chapter competed against 500 collegiate chapters around the globe to earn this distinction. As recipients of the Silver Chapter Award, Saint Joseph’s is eligible to award a $1,250 BGS scholarship to a student member in the 2011-2012 academic year.

“This is an honor that reflects on the entire HSB team — students, faculty, staff and administration,” said HSB Dean Joseph DiAngelo, Ed.D. ’70.

The award-winning chapter inducted 100 new members on Sunday, April 17, during a ceremony in Mandeville Hall’s Wolfington Teletorium at 12:30 p.m.

Lifetime membership in Beta Gamma Sigma is the highest achievement available to business students anywhere in the world, and is extended to the upper 7 percent of juniors, the top 10 percent of seniors, and the upper 20 percent of graduate students. The Haub School has been recognized as a Gold Award Chapter Recipient, three times as a Silver Award Chapter recipient, and as a Bronze Award recipient in the last several years.
