Professional MBA Program Continues Referral Program through Spring 2012!

Share the Experience...
Enjoy the Wealth

Graduates of Saint Joseph’s University’s Professional MBA Program are so pleased with their experience at the school that they would welcome the chance to refer a friend, family member, or colleague to the program. With that in mind, the Graduate Business Office has developed a referral program for the Professional MBA program. We invite all members of the Saint Joseph’s University community, both alumni and current students, to take advantage of this program by referring a friend or colleague.

Through the Spring 2012 application period, you will receive an exclusive, limited-edition Saint Joseph’s University embroidered hooded sweatshirt for every student that you refer that enrolls in Professional MBA courses at Saint Joseph’s*. You should refer your friends, family members, or colleagues by filling out the referral form at www.sju.edu/mba/referral.

If you or your referral would like information about the Professional MBA Program, we invite you to visit our website at www.sju.edu/mba for more information. You may also request a copy of our new program brochure by visiting our website or calling 610-660-1690.

*Please contact the Graduate Business Office at sjumba@sju.edu or visit our referral website at www.sju.edu/mba/referral for all program details.
Class Registration

Just a friendly reminder that Summer 2011 and Fall 2011 course registrations will begin shortly. Classes usually fill up quickly, so please check your emails and register as soon as possible!

Call For Summer/Fall Graduate Assistant Apps

Just a reminder that if you are interested in being a graduate assistant, applications must be submitted to the Graduate Business Office in MV 284. Please go to the Prospective Students section of [http://www.sju.edu/mba](http://www.sju.edu/mba) to fill out and submit the application.
Congratulations! - January 2011 Graduates

Michael Nutter “Unplugged:
Mon, April 11 - 6:00 PM - Mandeville Teleatorium

We are pleased to present our fourth “Unplugged” event with Michael Nutter, Mayor of Philadelphia. Mayor Nutter will have a candid discussion with attendees about the state of the city and what students and the business community can do to become more engaged in helping resolve the City’s fiscal crisis. The conversation will also include a dialogue on the factors that will make young professionals want to live, work, raise their families, and succeed in the Greater Philadelphia region. Feel free to come prepared with questions! Presented by the Graduate Business Student Association and YPN.
