Professional MBA Program Debuts New Referral Program!

Share the Experience... Enjoy the Wealth

Graduates of Saint Joseph’s University’s Professional MBA Program are so pleased with their experience at the school that they would welcome the chance to refer a friend, family member, or colleague to the program. With that in mind, the Graduate Business Office has developed a new referral program for the Professional MBA program. We invite all members of the Saint Joseph’s University community, both alumni and current students, to take advantage of this program by referring a friend or colleague.

Through the Spring 2011 application period, you will receive an exclusive, limited-edition Saint Joseph’s University embroidered hooded sweatshirt for every student that you refer that enrolls in Professional MBA courses at Saint Joseph’s. You should refer your friends, family members, or colleagues by filling out the referral form at www.sju.edu/mba/referral.

If you or your referral would like information about the Professional MBA Program, we invite you to visit our website at www.sju.edu/mba for more information. You may also request a copy of our new program brochure by visiting our website or calling 610-660-1690.

*Please contact the Graduate Business Office at sjumba@sju.edu or visit our referral website at www.sju.edu/mba/referral for all program details.
