Permission to take a course in the College of Professional and Liberal Studies (CPLS) is usually granted to high school students during their senior year.

The student may take the course on a credit or non-credit basis. Credits earned will be transcripted and may be applied to the student’s future college record, depending on its regulations. Any high school credit will depend on the high school’s academic policy.

The student must complete a Visiting Student Form available in the CPLS Office, Barbelin Building, Room 117, but an application fee will not be charged. The only credentials required are the two letters noted above. The student will register on the appropriate registration form with a letter of approval from the Associate Dean. The student will pay tuition by credit and any course fees (such as lab fee).

Should you have any questions, please feel free to contact CPLS at 610-660-1267.
