Re: 2014-2015 Holiday/Summer Schedules

---

**Holiday Schedule:**

Saint Joseph’s University grants 14 paid holidays per year, including three “floating” holidays which may be designated by the University to give an extended break between Christmas Eve and New Year’s Day. The specific holiday schedule is determined annually and follows the official academic calendar. The Holiday Schedule for 2014-2015 can be found in Attachment A of this memorandum.

We have designated all three of the floating holidays in the upcoming year in order to offer an extended break from December 24, 2014 through and including January 1, 2015.

Please refer to the Holiday Policy in either the Staff or Administrative/Professional Employee Handbooks for further details on this benefit.

**Summer Hours:**

The University will once again offer the option of a summer schedule to provide employees with extended weekend time during the summer months. Exceptions to this option might have to be made for critical operations that require full staffing five days a week, as determined by the deans or division heads. The modified summer schedule will be in effect from **Monday, June 2 through Friday, August 8, 2014** with the exception of the week of June 30 through July 4 which contains a holiday and four regular seven-hour days.

Please remember that the University does not officially close on Fridays. It is important to maintain a high level of service for students and outside constituencies. Arrangements for appropriate coverage should be made with each department head in consultation with the area vice president. In single-employee departments, arrangements must be made with neighboring department staff to cover one another during absences.

In addition, in order for this schedule to continue to be offered in the future, department heads must ensure that employees work their regularly scheduled number of hours in four days. For offices that choose to implement the summer schedule, full-time hours during the designated weeks are **8:15 a.m. to 5:30 p.m., four days/week being the norm, with a 30-minute lunch period required.** Voice mail messages should state your hours, but please **do not state that the University is closed on Fridays.**

Note that employees who are on a reduced work week (i.e. 4-day work week) are not eligible to participate in the modified summer hours program.
