

## HEALTH CARE REFORM - CONTRACEPTIVE COVERAGE

Saint Joseph's University does not offer coverage for contraceptives through our health plans. Under the applicable rules implementing the Patient Protection and Affordable Care Act, the University is eligible for and has certified its qualification for a "temporary safe harbor" with respect to coverage for contraceptive services for the next plan year (2012-13). If you have any questions, please do not hesitate to give me a call at extension 1295 or by email at [jmolnar@sju.edu](mailto:jmolnar@sju.edu).
