EARLY ACTION (NON-BINDING)

Early Action is a non-restrictive, non-binding process in which a student submits an application early in the senior year and is notified earlier than a Regular Decision applicant. The deadline for applying Early Action is November 15 and decision notification is sent by December 25.

REGULAR DECISION (NON-BINDING)

The Regular Decision process allows a student more time to complete the application. The deadline for Regular Decision candidates is February 1 with decision notification sent by March 15.

ADDITIONAL INFORMATION

Students admitted through either Early Action or Regular Decision have until May 1 to confirm their intent to enroll by submitting a non-refundable enrollment deposit of $500 for resident students or $250 for commuting students.

Each year, the number of qualified applicants for admission exceeds the number of available spaces in the class. It is for this reason that we maintain a waiting list for admission. Should space for the first year class become available at any time, we will begin to offer admission to students placed on the waiting list.
