## Chapter/Brother Updates

- *Congratulations to Brother Jordan Mueller on his engagement to Kat Olivo!*
- *The chapter is currently working with the National Fraternity to resolve our current issues and is making great progress!*
- *If you would like to help the chapter with fundraising by filling out surveys, please contact Matt Magnifico at [matthew.magnifico@sju.edu](mailto:matthew.magnifico@sju.edu)*

## PUSH-A-THON STARTS WEDNESDAY THE 21st!

The current Brothers of the Epsilon Tau Chapter will begin fundraising for the fraternity's national philanthropy, Push America, beginning on Wednesday at 1PM. The brothers will be pushing other brothers around the track of Finnesey Field for a 24 hour period in order to raise money for the handicapped. The mission of Push America is Building leaders of tomorrow by serving people with disabilities today. Push America's integrity to its mission is exemplified in every program. Push America programs were created to educate and provide a quality hands-on service experience for members of Pi Kappa Phi while enhancing the lives of people with disabilities.
