Saturday night movie: The Little Man

After several years in prison, a recently paroled tough-as-nails — though not-quite-three-foot-tall — jewel thief Calvin Sims (Marlon Wayans) decides it's time to retire from a life of crime, but not before pulling off one last big heist. A notorious crime boss offers Calvin and his former partner Percy P (Tracy Morgan) \$100,000 to steal the famous Queen Diamond.
