

6th SENATE, 1st SESSION. RESOLUTION 004. Maguire Campus Transition Resolution. IN THE UNIVERSITY STUDENT SENATE January 15, 2006, Vice President McDonald. Referred to the Administrative Board on January 15, 2006, considered and agreed to:

RESOLUTION

Maguire Campus Transition

1 Whereas the Saint Joseph's University Student Senate received and acted upon the
2 following in due course and proper procedure the following resolution, and as such,
3 passed with a clearly plural majority this expression of the resolution:
4

5 Whereas the acquisition of Episcopal Academy by Saint Joseph's University has
6 made available unheard of possibilities for the growth and development of this
7 institution and is poised to become a defining event in this University's history.
8

9 Whereas the future of Saint Joseph's hinges in many ways upon how the newly
10 acquired Maguire Campus is developed and utilized.
11

12 Whereas it is in the expressive interest of the student body to maintain an awareness
13 of and have input in the Maguire Campus planning process since much of the change
14 that will occur will likely have a significant effect on the student experience at Saint
15 Joseph's.
16

17 Whereas the Executive and Administrative Boards of the Student Senate have the
18 power and responsibility to create ad hoc positions for the improvement and increased
19 efficiency of the Senate's ability to represent the student body in current pertinent
20 issues.
21

22 Now, therefore, be it RESOLVED that the Executive Board appoints a member of the
23 University Student Senate to facilitate student input and engagement with the
24 Maguire Campus Transition that shall be approved for by a plural majority of the
25 Senate and maintained as long as necessary, so to strive for a consistent student
26 engagement in the Maguire Campus planning process.
